

## Homework Timetable 2011 - 2012

These timetables represent the **minimum** that will be set each week. A homework task will generally take up to 1 hour to complete. Homework, where appropriate, will be placed on the college website in addition to being written within a student's work organiser. Students will be given an appropriate amount of time to complete homework tasks.

### Key Stage 3:

English, Maths, Modern Languages and Technology will set one homework task every week.

Other subjects reserve the right to set homework. History and Geography will set a mixture of project-based homework and shorter tasks. ICT will set homework once per fortnight.

### Year 7 Weekly Tasks:

Monday	Tuesday	Wednesday	Thursday	Friday
Maths – all groups <b>Week A</b> Maths – <b>a</b> groups <b>Week B</b>	Maths – <b>b</b> groups <b>Week B</b>			
Languages – students are taught in groups (S / A / W / T / R / Y / C / O); homework can be found on the website next to the group initials.				
Technology – students are taught in coloured groups (Blue/Green/Red/Magenta/Orange/Silver/Pink/White/Yellow/Gold/Grey/Purple); each week homework can be found on the website next to the appropriate colour.				
English - students will be required to complete a half-termly homework booklet. The homework booklet has tasks which students will be set on a weekly basis. The booklets can be found on the Student Gateway; there is a direct link on the homework website too.				
Science – students will be given four tasks per term which can be accessed on the website. Additional homework tasks may be set at the teachers' discretion and details will be placed on the school website.				

### Year 7 Project-Based Tasks:

These are ongoing History project-based homework tasks that encourage students to manage their own learning and time. Guidance and task sheets are provided by the teacher. Students will be expected to do similar project work in geography. The content will reflect topics covered by the department.
